Your Donicurio Gift Registry page will be created within 24 hours. At that time a password will be emailed to you. You will receive a weekly update of the "Gift Funds" in your account. You are able to purchase items from Donicurio at any time with your available "Gift Funds" or from your personal funds. Many of the pieces on donicurio are one-of-a-kind and are possibly requested by other registrants. If there are specific pieces that you 'really want' we recommend that you redeem "Gift Funds" for those pieces as sufficient "Gift Funds" are available to you.
